

# MERRY CHRISTMAS

We are so excited to share the many praise reports from 2021. With all the challenges that the Covid pandemic has continued to bring, Hope Filled Hearts 4 Africa had an amazing year. Below are just a few of the highlights. We look forward to what the Lord brings to us in 2022.

We were able to treat 60 patients in our Covid ward. Unfortunately we lost 20 lives, but without our help many more would not have survived. So many of them accepted Jesus into their hearts even before they passed!

The hospital is now running on solar power!

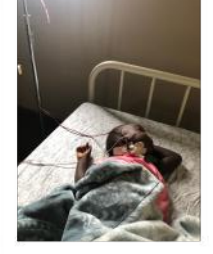

The new doctors' residence is almost completed. It will house 3 doctors and their families.

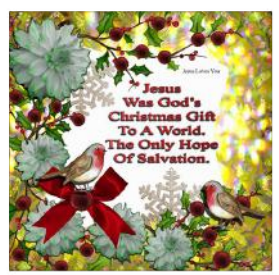

These are just a few of the 150 beautiful mothers that were able to deliver with us in 2021. We almost doubled the amount of births this year and we look forward to many more safe deliveries in 2022.

The guest compound is now completed except for landscaping.

Year End Donations can be made to Hope Filled Hearts 4 Africa 24551 Del Prado #698, Dana Point, Ca. 92629 or on-line donations [www.hopefilledhearts4africa.org](http://www.hopefilledhearts4africa.org)

*THANK YOU to all who have come alongside me with prayer, love, and support. You are such an important part of this vision and it is because of you that lives will be changed forever. In His Love, Sherill*
